Dear All,

With the summer break around the corner, we have little, yet important news from the 3. Cycle:

PEERS Call for Applications

The PEERS programme is going into its second cohort and we are looking for five mid-career artists with profound artistic practice in theatre, dance, performance or film.

PEERS is a pre-PhD programme of the Department of Performing Arts and Film at Zurich University of the Arts (ZHdK). Its aim is to support emerging artistic researchers who are interested in pursuing a doctorate in the arts, foremost yet not exclusively in the performing arts and film.

If you are interested and for further information, check out the [Call for Applications](#) or our [website](#).

«The Future of the Earth» Preenacting Climate Scenarios

Doctoral-Candidate Patrick Gusset encourages conscious action through «The Future of the Earth» Preenacting Climate Scenarios. Trying to avoid communicating the devastation that climate change will bring to our earth with numbers, Patrick tries preenacting those scenarios based on scientific findings.

Find out more about the project in the article "[Im Kühlhaus schmilzt der Klimazweifel](#)" from the Luzerner Zeitung.

PEERS Summer Residency

We are excited for the PEERS to hold their summer residency in the Alpenhof. The guesthouse is set in the idyllic Appenzell and is known for seminars and retreats. The PEERS will spend a week together there and work on their research as well as exchange personally and artistically.

IPF Summer Break

19. July - 23. August 2021

Like every year the institute for performing arts will take a break during the summer. This means that there won't be many scheduled activities and people will only answer sporadically. The IPF will be fully back on August 23rd.
